If tranquilization is necessary for treatment or handling, I give my permission to the Meyerland Animal Clinic to administer such medications.

All animals entering the hospital must be up to date on vaccinations and free of external parasites, such as fleas, ticks, etc. or they will be treated upon entry at owner's expense.

I also authorize Meyerland Animal Clinic to do whatever is necessary should an emergency arise. Payment is required when animal is released.

A finance charge of 1.5% per month (18% per year) will be assessed for any installment payment arrangements.

Please note: Meyerland Animal Clinic takes absolutely no responsibility for any toy left with the pet while boarding. No bedding can be left, we will provide towels and blankets for your pet. We allow one toy per boarding pet. In an effort to avoid choking hazards, rawhides, bones, and other chews are not allowed.

Cancellations must be made up to 48 hours before the boarding period starts, in order to prevent a charge of three days boarding.

Meyerland Animal Clinic cannot ensure that any pet will go home flea-free unless we bathe and dip them on the day they are released, at the owner's expense.

I have read the above and filled out the appropriate information.
